24.12.2014

Gulfnews.com has published a report by Lata Rani, a correspondent in its publication dated December 18, 2014.

The report refers to the plight of around two dozen rape victims in Bihar and also mentions that 1128 cases of rape have been reported in Bihar till August, 2014 which means that every month on an average 141 cases of rape are taking place in the State of Bihar. According to the officials, as quoted in the report, last year 927 incidents of rape have been reported. The report of Lata Rani depicts horrible picture with respect to the safety of the girls in the State.

Since the incidents have happened in various districts of Bihar therefore a report be called from DGP, Bihar within four weeks.
