

BIHAR HUMAN RIGHTS COMMISSION

9, Bailey Road, Patna – 15

File No **BHRC/COMP.** 1733/14

Case Suo Motu Cognizance – Hospitals Sleep Over Rape Probe Case Test Facilities.

08.12.2014

Deputy Director, Dr. Nagendra Prasad Singh is present and Deputy Superintendent, PMCH Dr. Sudhanshu Kumar is also present.

The Deputy Director seeks time to file a detailed report in the light of the discussions the Commission had with him. The Director-in-Chief, Health Services is directed to appreciate the fact that rape is not like any other injury but it definitely causes trauma and a policy should be framed to deal with such victims so that they don't lose hope of life and are rehabilitated emotionally, physically and also financially wherever necessary. Director-in-Chief may need the requisite approval from the government in framing a policy therefore he should take the matter with the concerned authorities as early as possible and approach the government for drawing a comprehensive scheme.

List after three months i.e. on 10.03.2015.

(Justice Bilal Nazki)
Chairperson
