Subject: Pathetic condition of healthcare in Mohanpur Referral Hospital, Vaishali.

09.02.2016

A report has been published in the daily Telegraph in its edition of 9th February, 2016 about the functioning of Mohanpur Referral Hospital, Raghapur, Vaishali district .

The report draws a very ugly picture regarding health care available to patients in the Mohanpur Referral Hospital. When the reporter visited the hospital he found there were no doctors, no paramedicals or nursing staff except two midwives in the hospital.

According to this report the hospital has not even a bed although the hospital is supposed to be a 30 bedded hospital. If the reports are true it needs immediate intervention.

A report be sought from DM, Vaishali and also from Director-in-Chief, Health Services.

The report shall be submitted by 23rd February, 2016.

Copy of the newspaper report be also sent.
