

BIHAR HUMAN RIGHTS COMMISSION

9, Bailey Road, Patna-800015

Press Note

29.4.2015

It has been noted that large number of people in various districts of Bihar have suffered losses as a result of recent earthquake. Certain relief measures have been announced by the Government for those who suffered but it is felt that some of them who are living in remote parts of State may not be able to get benefits they would be entitled to.

Therefore, it is notified for public at large that in case of any grievance or complaint any one can approach the State Human Rights Commission by just writing a letter to the Commission or sending a complaint through any other means like e-mail etc. The Commission would take such complaints on priority basis.
